

Chao Phya Thai

"Thai With A Twist"

Monday, March 16, 2020

Message from Chef Guy:

Chao Phya Thai has been a part of our wonderful Windward community for over 25 years and will continue to be here for you as we all face challenging times. With the health concerns amid COVID-19, Chao Phya Thai Restaurant is here to assure you that the health and safety of our community is our top priority.

According to Federal and State Guidelines for reduced exposure at public places, we will be temporarily closing our Dining Room until it is safe to reopen. We will be open and available to all our valued customers to continue their enjoyment of our delicious Thai Cuisine by ordering online from our delivery partners: BiteSquad, DoorDash & Grubhub. We will also have Curbside Pickup available!

We're here to provide you with an update on the measures we've taken to ensure the health of our guests and cleanliness of our business:

What we're doing:

Adhering to the guidance of the Centers for Disease Control (CDC) and the World Health Organization (WHO).

Educating our employees daily on preventative measures.

Utilizing disposable gloves and increasing the hand washing procedures.

Sanitizing menus, tables between guests and hard surfaces.

Increasing the frequency of restroom cleaning and sanitization.

What you can do to help:

Wash your hands frequently.

Avoid touching your eyes, nose, and mouth.

Avoid close contact with people who are sick.

Stay home if you are sick.

Cover your nose and mouth when you cough or sneeze with a tissue, and then dispose of the tissue.

We appreciate you joining us in taking extra precautions to keep our community safe and healthy. For more information surrounding health and safety guidelines during this time, please visit the CDC website.

Thank You and Stay Safe,
Chef Guy & Chao Phya Thai Ohana
